Comments In Support of Rule Making

I, Clyde Scott, Jr., President of The Association for the Studies of American Heritage Corporation (Petitioner) respectfully support the allotment of channel 246A to Homerville, Georgia, as proposed in the Notice of Proposed Rule Making, DA 05-290, released February 4, 2005, in the above captioned proceeding. I reiterate the need of Homerville, Georgia, for an additional competitive service.

Upon amendment of §73.202 (b) of the Commission's rules and finalization of the proceeding, and at which time the allocation comes before the public of auction, I will prepare, and file all necessary forms to participate in the auction process.

In view of the above, the Commission should amend Section 73.202 (b) as follows:
